

I. INTRODUCTION

- a. The Cardington-Lincoln Public Library (CLPL or “the library”) maintains a Circulation Policy and applicable procedures to ensure that all patrons are provided with consistent services from library staff members and that every patron has clear expectations of their rights and responsibilities as a CLPL cardholder.
- b. CLPL is a member of the Consortium of Ohio Libraries (COOL). Only one card is permitted per individual and the card will be honored at any COOL member library for the circulation of materials. Because each member library has their own governing board, their circulation policies may differ from CLPL. The location of the checkout workstation will determine the circulation policy applied to the materials borrowed.

II. ELIGIBILITY & REGISTRATION

- a. All Ohio residents are eligible for a free CLPL library card to access any library service.
- b. Registering for a library card must be done in person. Exceptions can be made, as in the case of people who are disabled and unable to come to the library.
- c. Registering requires photo identification, proof of address, and a completed signed *Library User Application*.
 - i. Photo identification is defined as an item containing a photo of the applicant with the first and last name of the applicant. Examples include a valid driver’s license, a state identification card, a student identification card, a military identification card, or a passport.
 - ii. Proof of address is defined as an item containing the current location of the applicant’s residence. Examples include photo identification, a check or a utility bill in the applicant’s name.
 - iii. By signing the *Library User Application*, applicants certify that the information they provided is true and correct and that they agree to obey all CLPL policies. The library reserves the right to withdraw borrowing privileges from any patron providing the library with false registration information.
- d. Temporary privileges will be granted to applicants unable to provide proof of address at the time of application.
 - i. Patrons with temporary cards may only borrow two items at a time.
 - ii. Patrons with temporary cards may not borrow mobile hotspots or tablets.
 - iii. Temporary cards expire after 30 days.

III. YOUTH REGISTRATION

- a. A parent or guardian may obtain a library card for their child ages 0 to 17 by providing a valid form of identification and signing the *Library User Application*.
 - i. The parent/guardian must be a library cardholder. The child must be present at the time of registration.
 - ii. By signing the application, the parent/guardian assumes responsibility for all materials and any fees incurred through the use of the child's card.
 - iii. The parent/guardian may restrict the child's borrowing privileges in three ways:
 1. By accompanying the child as materials are selected.
 2. By indicating on the *Library User Application* that the child may not use library computers.
 3. By indicating on the *Library User Application* that the child may not borrow library DVDs.
- b. Youth ages 14 to 17 unaccompanied by a parent/guardian may obtain a library card by presenting photo identification, proof of address, and a completed signed *Library User Application*.
 - i. The parent/guardian will not be contacted when their child has registered for a card.
 - ii. The parent/guardian may later inactivate the card, restrict library computer use, or restrict DVD borrowing.
- c. The library reserves the right to tie youth accounts to the parent/guardian account for ease in the management of a family's accounts for both the patron and library staff members.
- d. The Library Director and Youth Services Librarian retain the right to modify the registration process for youth in situations where the above policy does not apply.

IV. BORROWING PRIVILEGES

- a. Patrons of CLPL have access to the collections of all COOL member libraries. Some limitations may apply.
- b. Any cardholder, regardless of age, may borrow any circulating item in the library's collection, unless:
 - i. Fees of \$10 or higher exist on the account. (\$5 if a temporary card has been issued.)
 - ii. A parent/guardian has placed one of the restrictions listed in III(a)iii.

- d. Checkout Limits (per account)

 - v. When the due date falls on a day the library is closed (i.e. holiday) the due date will be the next day the library is open for business.

- f. Holds
- i. Patrons may request holdable materials from any COOL member library in person, by telephone, or online. If placing the hold by telephone, patrons must provide their library card number; if the patron does not have the library card number available, they must provide their name and one additional identifier matching the information on their account (i.e. date of birth or email).
 - ii. Requested materials will be delivered to the patron's COOL member library of choice. Hotspots and tablets may only be checked out at CLPL. Only patrons whose home library is CLPL may place a hold on a CLPL mobile hotspot or tablet.
 - iii. Patrons can choose how they wish to be notified when the item is available for pick up.
 - iv. The library is not obligated to hold items more than 3 days after the patron has been notified of the availability of the item.
 - v. Patrons may cancel, suspend, reactivate holds, and make other modifications to holds.
- g. Returning Items
- i. Any item other than bicycles, mobile hotspots and tablets may be returned to any COOL member library.
 - ii. The library maintains an outdoor drive-up drop box for the patrons' convenience.
 - iii. Hotspots and tablets must be returned inside the library during open hours. The borrowing patron will be charged \$10 when the device is returned to the outdoor drive up book drop. The borrowing patron will be charged the replacement cost of any device lost due to the return of the item through the outdoor drive-up book drop.
 - iv. All items returned in person should be placed in the indoor book drop to ensure proper handling. Do not leave items on a counter.

h. Notices

- ii. Hold notices communicate when materials are ready for pick up. The options for receiving hold notifications are by text, email, and phone.
- iii. Renewal notices communicate whether or not items that have reached their due date were able to be automatically renewed. The options for receiving renewal notifications are by text and email.
- iv. Overdue notices are reminders that items need to be returned to the library. They are sent at 7, 14, and 21 days past the due date. The options for receiving overdue notifications are by text and email. When no email or SMS information exists on the account, overdue notices are sent by U.S. mail.
- v. Billings are overdue notices sent 28 days past the due date and notify the patron that the cost of the unreturned item will be charged to their account on day 30. Billing notices are sent by U.S. mail only.

If the item is not found in the library, then the library staff member will notate the item on the patron’s account as *Claims Returned*. This action will stop fines and notices.
- e. Payments & Refunds
- i. Payments must be made in person by cash or check at any COOL library. Patrons have the option to receive a paper receipt for all payments or reductions in fines.
