

CLPL SEED LIBRARY MEMBERSHIP FORM

The CLPL Seed Library is a free program committed to increasing our community's ability to grow wholesome food by offering both seeds and education. Through the time-honored tradition of seed saving, we celebrate biodiversity, nurture locally adapted plant varieties, and foster community resilience, self-reliance, and a culture of sharing.

The CLPL Seed Library operates on the honor system. You become a member automatically when you fill out this form and withdraw seeds to plant. **Seed saving is not a requirement of using this seed library, though we encourage all members to learn basic seed-saving techniques!** We encourage beginning seed savers to grow out and return seeds from lettuce, tomato, bean, or pea plants their first year.

If you are unable or do not wish to save your own seeds, please consider donating a packet or two of fresh, commercially grown, open-pollinated (non-hybrid, non-GMO) seeds to keep our library stocked. Returned seeds will allow us to keep the library well stocked and running for years to come!
